

Product Name :
Muffle Furnace**Product Code :**
CHINAELABC2680018**Description :**

Muffle Furnace

Technical Specification :

Used for determining the loss on ignition of cement and building lime.

Technical Specifications :

Power: 4200 W

Max. temperature: 1200°C

Inside dimensions (lxwxh): 210x280x145 mm

Overall dimensions: 510x650x650 mm
