

**Product Name :**  
MIG Welding Machine

**Product Code :**  
CHINAELABC2530031

**Description :**

MIG Welding Machine

**Technical Specification :**

STEP type voltage control.  
Rugged and robust design.  
No breakdown.  
Minimum maintenance.  
Low running cost.  
Sturdy and proven construction.  
Burn back facility.  
100% copper winding.  
Ideal for construction/ site work.
