

Product Name :
Journal Bearing Apparatus

Product Code :
CHINAELABC261007

Description :

Journal Bearing Apparatus

Technical Specification :

FEATURES:

- Equipment Layout: On Base
- Fine finish
- Operated: Manually (Through a Crank Handle)
- Simple operations
- Functional accuracy

SPECIFICATIONS:

- Displacement 210 cc
- Power 4 hp Direct Injection
- Camshaft in the Crankcase
- Injection Pump
- Injector
- Overhead Camshafts
- RPM Regulator
- Toroidal Oil Pump
- Silencer
