

**Product Name :**  
Section Model Two Stroke and Four Stroke Petrol Engine

**Product Code :**  
CHINAELABC2640024

**Description :**

Section Model Two Stroke and Four Stroke Petrol Engine

**Technical Specification :**

**FEATURES:**

Operated: Manually (Through a Crank Handle)  
Equipment Layout: On Base  
Fine finish  
Simple operations  
Functional accuracy

**SPECIFICATIONS:**

**TWO STROKE CUT-SECTION ENGINE:**

Air cooling  
Piston displacement 48 cc  
Plug point and magnet flywheel ignition  
Box carburetor

**FOUR STROKE CUT-SECTION ENGINE:**

Air filter  
Displacement: 160cc  
Camshaft in the crank case  
Overhead valves  
Rpm regulator  
Oil pump

---

Carburetor  
Silencer  
Tank
