

Product Name :
Thermal Image Camera

Product Code :
CHINAELABC2550057

Description :

Thermal Image Camera

Technical Specification :

SPECIFICATION:

76 mm (3?) Color LCD Display

Easy-to-Use, Weighs Only 0.58 kg (1.2 lb)

2% Accuracy

Picture-in-Picture Image (E5, E6 and E8)

Area Box Measurement Mode (E5, E6 and E8)

Radiometric jpg File Format

Swappable Li-Ion Battery with 4-Hour Life

Spot Measurement Mode

Simultaneous Storage of IR/Visual/MSX Images

FLIR Tools Reporting and Analysis Software Included

Temperature Range from -20 to 250°C (-4 to 482°F)

Variable Emissivity and Reflected Temperature Parameters for Detection Accuracy
