

Product Name :
Vocational Training Unit Training Lab Kit

Product Code :
CHINAELABC2820001

Description :

Vocational Training Unit Training Lab Kit

Technical Specification :

Fire Alarm Trainer
Hermetic Refrigeration Training Unit
Absorption Refrigeration Demonstrator
Basic Installation Training Package Unit
Reverse Cycle Refrigeration And Air Con Training Unit
Commercial Refrigeration Training Unit
Advanced Training Unit For Fault Location
Acoustic Impedance Tube
Water Chiller Trainer Unit
Ref AC Control And Fault Trainer
Check Valve Assembly
Visual Refrigeration Training Unit
Advanced Refrigeration Training Unit
Automotive Air Conditioning Trainer
