

Product Name :
Ecology Environment Plant and Machines Training Lab Kit

Product Code :
CHINAELABC2870001

Description :

Ecology Environment Plant and Machines Training Lab Kit

Technical Specification :

Bench Top Anaerobic Digester
Activated Sludge Sewage Treatment Pilot Plant
Water Conditioning Plant
Water Still Plant
Computerized Educational Equipment On The Thermal Solar Refrigeration Cycle
Bench Top Aerobic Digester
Pilot Plant For The Production Of Biogas From Biomass
Study Unit For Bio alcohol Production
