

**Product Name :**  
Universal Vibration Apparatus Training Lab Kit

**Product Code :**  
CHINAELABC3600001

**Description :**

Universal Vibration Apparatus Training Lab Kit

**Technical Specification :**

Motor Exciter  
Dynamic Friction In Cylindrical Pin Roller  
Free Vibrations In A Bending Beam  
Vibration Trainer  
Frictional Vibrations  
Data Acquisition System  
Torsional Vibration Apparatus  
Vibration Absorber Apparatus  
Coil Spring Vibrations  
Tachometer Apparatus  
Simple Pendulum Apparatus  
Reversible Pendulum Apparatus  
Vibrations Frame  
Mass Spring System  
Beam Bending Vibration Module  
Natural Vibration On A Ship
