

Product Name :
Manual Coil Winding Machine With Reel Carrier

Product Code :
CHINAELABC420005

Description :

Manual Coil Winding Machine With Reel Carrier

Technical Specification :

Manual Single Coil Winding Machine with reel carrier, 1 no. 5 digit mechanical counter with mechanical traverse unit.

Wire range: 18 to 46 SWG.

Max. coil diameter: 200 mm.

Max. centre height: 100 mm.

Max. centre distance: 120 mm.
