

Product Name :
Flexible AC Current Probes with Integrator

Product Code :
CHINAELABC4260005

Description :

Flexible AC Current Probes with Integrator

Technical Specification :

Clamp - On CT's and Flexible AC Current Probes (High Current): Flexible AC Current Probes with Integrator, Input : 3000A AC Output : 300mV AC, ID : Suitable for Cable of 100mm Diameter, AC Output Connections : 1m Leads, Power Supply : 9V DC
