

Product Name :
Clamp On Earth Ground Resistance and Leakage Current Testers

Product Code :
CHINAELABC4270001

Description :

Clamp On Earth Ground Resistance and Leakage Current Testers

Technical Specification :

Clamp - On Earth / Ground Resistance & Leakage Current Testers: Leakage Current Tester with 10⁷A AC Ultra High Resolution, AC Current (40mA, 400mA, 4A, 40A, 60A), AC Voltage and Resistance Functions. Jaw Opening : For Cable of 30mm Diameter
