

Product Name :
Clamp On Earth Ground Resistance Tester Non Contact
Type

Product Code :
CHINAELABC4270002

Description :

Clamp On Earth Ground Resistance Tester Non Contact Type

Technical Specification :

Clamp - On Earth / Ground Resistance & Leakage Current Testers: Clamp - On Earth / Ground Resistance Tester (Non Contact Type)
with Range : 0.010W - 1000W, Data Storage Memory, Data Hold, Autoranging and Auto Power Off functions.
Jaw Opening : For Earthing Strip of 65 x 32 mm
