

Product Name :
3 1/2 Digit Clampmeter with Resistance

Product Code :
CHINAELABC430002

Description :

3 1/2 Digit Clampmeter with Resistance

Technical Specification :

Digital Clamp Meters with 3½ digit LCD display incorporating latest technology. These Digital Clamp Meter are stable, secure and reliable. These Digital Clamp Meter can measure AC Voltage, DC Voltage, AC Current, Resistance, Capacitance, Temperature, Diode Test, Continuity check, LCD Back light, Data Hold and Auto Power off. Full range overload protection circuit, unique design makes it a superior performing instrument.
