

**Product Name :**  
LCR Capacitor Transistor Meter LCR Meter Bench Type

**Product Code :**  
CHINAELABC4420006

**Description :**

LCR / Capacitor / Transistor Meter LCR Meter, Bench Type , Dual Digital Display, Q / D Measurement

**Technical Specification :**

Instant value, simultaneous 'D' factor measurement.  
Superior performance employing LSI IC'S  
Wide range of component value display  
Better calibration accuracy 0.5% 1 count  
Automatic frequency selection  
Exceptional stability
