Product Name:

DC Power Supply Single channel 30V 10A

Product Code: CHINAELABC4220008

Description:

DC Power Supply Single channel 30V 10A

Technical Specification:

Output voltage: 0~30V Output current: 0~10A

Source regulation: 1×10-4 +3mV Load regulation: 1×10-4 +3mV

Ripple& noise: £1mV Display error: £0.5%+1 digit

Voltage: 0 to Nominal Value Continuously Variable Stability: Voltage: £0.01%+2mV Load: £0.0%+2mV

Recover Time: £100mS

Ripple & Noise: £1MVRMSefficent Temperature Factor: £300PPM/oC

Current: 0 to Nominal Value Continuously Variable

Current, Load Stability: £0.2%+3mA

Ripple & Noise: £3mArms

Working Condition

Line Power Supply: 220V±10% 50/60Hz (Alterable if needed: 110±10%50/60Hz)

Operating: Temperature:-10oC~40oC Moisture £90% Storage: Temperature:-20oC~80oC Moisture £80%
