

Product Name :
DC Power Pack

Product Code :
CHINAELABC4220010

Description :

DC Power Pack

Technical Specification :

Input 230V/ A.C / 50Hz / Single Phase
Output Voltage 0-240V DC Continuously Variable
Output Current 30Amps Max.
Indication Lamp Indication , Panel Meter Indication
Voltage Selection Through Variac
Capacity 7,200VA
Duty Cycle Continuously "ON"
Voltmeter 0 500V, Direct Reading, Digital Type (3½ digit)
Ammeter 0-30A, Digital Type (3½ digit)
Input / Output Control MCB
Protection Input 32Amps MCB / Output 32Amps MCB Control Fuse & Fan Fuse
Cooling Fan with control Fuse for Inlet/Outlet of Air
Rectifier / Filter Circuit DC Bridge Rectifier / Condenser / Bleeder Resistance and Choke.
Panel Comprising of In Put / Output Terminals
