

Product Name :
3 1/2 Digit Clampmeter upto 1000A

Product Code :
CHINAELABC430004

Description :

3 1/2 Digit Clampmeter upto 1000A

Technical Specification :

Digital Clamp Meter in 3½ digit LCD display incorporating latest technology.

These clamp meters can measure AC Current, AC Voltage, DC Voltage, Resistance, Temperature and Frequency.

Additional Features include Diode Test, Continuity check, Data Hold and Back light.

These Clamp Meters are used in various industries across various sectors for maintenance and manufacturing.
