

Product Name :
Univesal IC Tester + LCR Meter**Product Code :**
CHINAELABC4400012**Description :**

Univesal IC Tester + LCR Meter

Technical Specification :

Digital IC Tester to test Digital ICs TTL/ CMOS (14/16/20 Pins)
Analog IC Tester to test Linear/ analog ICs (4, 6, 8, 14, 20 Pins)
LCR Meter - Measures L, C, R, with Calibration Facility
Micro controller Development System
Serial Port for Upgradation
Buzzer for Bad IC indication.
Components Tester to test Diode, Transistors, SCR, UJT, FET Regulator & Displays
