

**Product Name :**

Cube Mould

**Product Code :**

CHINAELABC2680047

**Description :**

Moulding Equipment - Cube Mould

**Technical Specification :**

These are used for casting cement concrete test specimens for carrying out compressive strength tests as per IS : 516. These moulds are manufactured as per IS specifications. The faces are machined flat within  $\pm 0.02$  mm tolerance and the inside dimensions are accurate within  $\pm 0.2$  mm. Each mould is supplied with a base plate. 70.6 mm and 150 mm cube moulds carry I.S.I. mark.
