

Product Name :

Asphalt Mixer

Product Code :

CHINAELABC4690003

**Description :**

Asphalt Mixer

Technical Specification :

Asphalt mixer is an automatic mixing machine for asphalt mixture. It is easy to set the desired mixing time, mixing temperature, and mixing speed.

Capacity: 10L, 20L

Control temperature: room temperature~200?

Control temperature accuracy: ± 2 ?

Planetary mixing speed: revolution 45r/min; rotation 78r/min

Power: AC 220V, 50Hz, 2000W
