

Product Name :
Air Entrainment Waterproof Meter

Product Code :
CHINAELABC4890004

Description :

Air Entrainment Waterproof Meter

Technical Specification :

Volume: 1L
Air entrainment range: 0-20%
Main unit material: Magnesium aluminum silicon alloy
Pressure gauge: Dustproof, waterproof, explosion-proof
Accuracy: 0.1% up to 6% air and 0.2% from 6% to 20% air
Weight: About 3.5kg
