

**Product Name :**  
Air Entrainment Waterproof Meter

**Product Code :**  
CHINAELABC4890004

**Description :**

Air Entrainment Waterproof Meter

**Technical Specification :**

Volume: 1L  
Air entrainment range: 0-20%  
Main unit material: Magnesium aluminum silicon alloy  
Pressure gauge: Dustproof, waterproof, explosion-proof  
Accuracy: 0.1% up to 6% air and 0.2% from 6% to 20% air  
Weight: About 3.5kg
