

Product Name :
Air Permeability Apparatus

Product Code :
CHINAELABC504001

Description :

Air Permeability Apparatus

Technical Specification :

Inside diameter of permeability cell: \varnothing 12.7mm
Height of sample in the cell: 15mm
Perforated disk: 35holes
Diameter of the hole: \varnothing 1.0mm
Disk thickness: 1.0mm
Power: 220V 50Hz 25W
