

Product Name :
Polishing Grinding Machine**Product Code :**
CHINAELABC5220002**Description :**

Polishing Grinding Machine

Technical Specification :

Grinding and polishing machine can effectively replace previously manual grinding and polishing processes, which greatly saves labor, improves processing quality, and elevates sample preparation efficiency.

Grinding disc diameter: 230mm
Abrasive paper diameter: 230mm
Rotating speed: 900r/min
Electromotor: 0.2kW, 380V, 50Hz
