

Product Name :
Grinding and Polishing Machine Touch Screen

Product Code :
CHINAELABC5220003

Description :

Grinding and Polishing Machine Touch Screen

Technical Specification :

Disc diameter: 300mm
Abrasive paper diameter: 300mm
Disc speed: Stepless speed 100~1000r/min
Disc rotational direction: Clockwise or counterclockwise
Disc electromotor: DC brushless motor, 220V, 1.2kW
Head electromotor: Stepper motor, 200W
Head speed: Stepless speed 20~120r/min
Timing set: 0~99min
Sample Holding Qty.: 6pcs
Sample holder: ?25mm, ?30mm, ?40mm
Specification: Custom specification is acceptable
Pressure method: Individual pressure or central pressure
Individual pressure force: 0~50N
Central pressure force: 0~160N
Control and display: 7 inch LCD touch screen
Power supply: 220V, 50Hz, 8A
