

**Product Name :**  
Grinding and Polishing Machine Touch Screen

**Product Code :**  
CHINAELABC5220003

**Description :**

Grinding and Polishing Machine Touch Screen

**Technical Specification :**

Disc diameter: 300mm  
Abrasive paper diameter: 300mm  
Disc speed: Stepless speed 100~1000r/min  
Disc rotational direction: Clockwise or counterclockwise  
Disc electromotor: DC brushless motor, 220V, 1.2kW  
Head electromotor: Stepper motor, 200W  
Head speed: Stepless speed 20~120r/min  
Timing set: 0~99min  
Sample Holding Qty.: 6pcs  
Sample holder: ?25mm, ?30mm, ?40mm  
Specification: Custom specification is acceptable  
Pressure method: Individual pressure or central pressure  
Individual pressure force: 0~50N  
Central pressure force: 0~160N  
Control and display: 7 inch LCD touch screen  
Power supply: 220V, 50Hz, 8A
