

Product Name :
DC Voltmeter - Analog Portable Choose Range

Product Code :
CHINAELABC4230010

Description :

DC Voltmeter - Analog Portable Choose Range

Technical Specification :

Knife edge Pointer & Anti-parallax mirror scale.

Tough Bakelite Case : The complete body of the instrument is made from superior grade of bakelite. Unique design makes it very strong in construction and at the same time provides very high insulation.

Shock resistant Pivot jewel movements : The pivots are made from Carbon Steel hard chrome plated and are mounted in spring loaded sapphire jewels. This ensures shock resistance due to vibrations in transit and minimum friction during use.

Dust Proof : The Movement is placed in a separate compartment making it completely dust proof, thus ensuring long life and years of trouble free service.

Minimised Heating of Voltmeters or less internal heating due to low VA-loss : The resistance of voltmeters are housed separately in a ventilated compartment making heating problems negligible

Quick Response due to unique damping.
