

**Product Name :**  
Planetary Mixer for Bituminous Mix Digital 10 Ltrs

**Product Code :**  
CHINAELABC5440003

**Description :**

Planetary Mixer for Bituminous Mix Digital 10 Ltrs

**Technical Specification :**

Mixing capacity: 10 liters  
Heating pot temperature range: Room Temperature To 250°C (arbitrary setting)  
Temperature Control Accuracy: +/-3 Temperature  
Mixing time: 1-9999 seconds (arbitrary setting)  
Rotational speed of agitator: 48 rpm/min  
Rotation: 80 rpm/min  
Working conditions Temperature: - 10 ~40.  
Relative humidity: Not more than 80%  
Power supply voltage: ~220V + 10%, current: 20A
