

Product Name :
Planetary Mixer for Bituminous Mix Digital 10 Ltrs

Product Code :
CHINAELABC5440003

Description :

Planetary Mixer for Bituminous Mix Digital 10 Ltrs

Technical Specification :

Mixing capacity: 10 liters
Heating pot temperature range: Room Temperature To 250°C (arbitrary setting)
Temperature Control Accuracy: +/-3 Temperature
Mixing time: 1-9999 seconds (arbitrary setting)
Rotational speed of agitator: 48 rpm/min
Rotation: 80 rpm/min
Working conditions Temperature: - 10 ~40.
Relative humidity: Not more than 80%
Power supply voltage: ~220V + 10%, current: 20A
