

Product Name :
Bitumen Emulsion Tests Stability To Mixing With Cement

Product Code :
CHINAELABC5440012

Description :

Bitumen Emulsion Tests Stability To Mixing With Cement

Technical Specification :

Sieve : 1.4 mm. IS sieve approximately 100 mm in diameter and 40 mm in height
150 micron IS sieve 200 mm in diameter.
Metal dish : A round bottomed metal utensil of about 500 ml capacity.
Steel rod rounded ends 13 mm in diameter
Cylinder 100 ml. cap.
Shallow pan?100 mm diameter/50 ml capacity.
