

Product Name :
Bulk Density Cylindrical Metal Measure 3 LTR

Product Code :
CHINAELABC5440018

Description :

Bulk Density Cylindrical Metal Measure 3 LTR

Technical Specification :

For measurement of "Unit weights" and voids in aggregate.
Made from thick gauge Mild steel
Stout and rigid to retain form
Water tight from top and bottom
Smooth Interior wall
Precision machined for true measurements
Complete with handles for easy carriage
Supplied without tamping rod of 16mm diameter x 600 mm long.
225 X 170 X 180(L X W X D) mm
