

Product Name :
Gravity Test of Cement Le-Chatlier Flask

Product Code :
CHINAELABC5450009

Description :

Waterbath-Constant Temperature-Digital-For Specific Gravity Test of Cement - Le-Chatlier Flask

Technical Specification :

Used for measurement of specific gravity of hydraulic cements.

Construction Details:

Made of good quality glass

Bulb capacity approximately: 250 ml

Neck graduation from: 0 to 1 ml and 18 to 24 ml

Accuracy: 0.1 ml

Overall Dimensions: 100 X 100 X 300 (L X W X D) mm
