

Product Name :
Hydrostatics Panel

Product Code :
CHINAELABC2850005

Description :

Hydrostatics Panel

Technical Specification :

Inclined water manometer.
Barometer: Hygrometer.
Thermometer: Hydrometer
Stainless steel vernier hook gauge: Pascals apparatus.
Capillary attraction plates : Capillary tubes
Capillary viscometer: Falling sphere viscometer
Specific gravity bottle: Triple beam balance
Beaker, graduated cylinder and pipette: Archimedes apparatus.
Archimedes Principle Apparatus: Storage tank
