

Product Name :
Ice And Rain Protection and Control System Trainer

Product Code :
CHINAELABC2930004

Description :

Ice And Rain Protection and Control System Trainer

Technical Specification :

Aircraft components and assemblies

Six separate sub-systems

Windshield Wiper System

Windscreen Wiper

Motor

Actuator

Wiper Arm and Wiper Blade

Windshield Heating System

Windshield with heating elements

Temperature Control Thermostat

Windshield De-Icing (Alcohol Dispensing)

Alcohol Tank

Alcohol Pump

Sprayer

Flow regulator

Pitot Tube with electrical heating elements

Propeller De-Icing System

Electrically Heated

De-Ice Timer

Brush Block

Prop Slip Ring

Ammeter
De-ice Indicator
Propeller Blade with De-ice Boot
Pneumatic De-Ice Boot System
Vacuum pump
Filter assembly
Regulator valve
Suction Gauge
Boot Pressure Gauge
Control valve
