

**Product Name :**  
Ice And Rain Protection and Control System Trainer

**Product Code :**  
CHINAELABC2930004

**Description :**

Ice And Rain Protection and Control System Trainer

**Technical Specification :**

Aircraft components and assemblies

Six separate sub-systems

Windshield Wiper System

Windscreen Wiper

Motor

Actuator

Wiper Arm and Wiper Blade

Windshield Heating System

Windshield with heating elements

Temperature Control Thermostat

Windshield De-Icing (Alcohol Dispensing)

Alcohol Tank

Alcohol Pump

Sprayer

Flow regulator

Pitot Tube with electrical heating elements

Propeller De-Icing System

Electrically Heated

De-Ice Timer

Brush Block

Prop Slip Ring

---

Ammeter  
De-ice Indicator  
Propeller Blade with De-ice Boot  
Pneumatic De-Ice Boot System  
Vacuum pump  
Filter assembly  
Regulator valve  
Suction Gauge  
Boot Pressure Gauge  
Control valve
