## **Product Name:**

Ice And Rain Protection and Control System Trainer

Product Code: CHINAELABC2930004

## **Description:**

Ice And Rain Protection and Control System Trainer

## **Technical Specification:**

Aircraft components and assemblies

Six separate sub-systems

Windshield Wiper System

Windscreen Wiper

Motor

Actuator

Wiper Arm and Wiper Blade

Windshield Heating System

Windshield with heating elements

Temperature Control Thermostat

Windshield De-Icing (Alcohol Dispensing)

Alcohol Tank

Alcohol Pump

Sprayer

Flow regulator

Pitot Tube with electrical heating elements

Propeller De-Icing System

Electrically Heated

De-Ice Timer

Brush Block

Prop Slip Ring

Ammeter

De-ice Indicator

Propeller Blade with De-ice Boot

Pneumatic De-Ice Boot System

Vacuum pump

Filter assembly

Regulator valve

Suction Gauge

Boot Pressure Gauge

Control valve
