

Product Name :
Steam Power Plant 1,5kW with Process Control System

Product Code :
CHINAELABC306002

Description :

Steam Power Plant 1,5kW with Process Control System

Technical Specification :

Steam power plant and its components with control and regulation system
Start-up, operation and shut down of a steam power plant
Familiarisation with system control and monitoring via a process control system
Monitoring, servicing and maintenance tasks
Determining: input and output power, component and system efficiency, specific fuel consumption of the system
Complete laboratory-sized steam power plant
Process control system based on Ethernet and PLC
Plant monitored and controlled via touch screen control station
