

**Product Name :**  
Precision Laboratory Incubator

**Product Code :**  
CHINAELABC2740018

**Description :**

Precision Laboratory Incubator

**Technical Specification :**

Precision High-Performance Incubators for sample protection and maximum usability  
Precise Sterilization, Incubating and drying in one unit.  
Better mineral or glasswool blanket insulation keeps the surface Instrument from being burnt.  
Easy-to-use for digital interface and silicone gasket  
Ideal large scale for labs culturing bacteria  
3" fiberglass insulation temperature uniformity  
Power surges built-in circuit breaker protects against  
Internal electrical socket use of instrumentation within the incubator  
Technical Parameters :  
Temperature Range: Ambient to 70 °C  
Temperature Stability: Microprocessor Based PID Temperature +-1°C Controller +- 0.5°C Or better  
Housing Material: CRC or Powder Coated Mild Steel  
Interior: Polish stainless steel 304 grade Sheet  
Insulation: Glasswool or Ceramic Blanket  
Duty Cycle: Continuous  
Optional: Double colour gate for the top panel request  
Digital Setting: 0.1 °C  
Digital Resolution: 0.1 °C  
Power Consumption: 220/230V Single Phase, AC +- 10% 50Hz and 3 phase 440V  
Optional: Customer demand outer Stainless Steel 304 grade body  
Front Door: Glasswool or mineral wool with glass door window

---

Digital Setting: 0.1 °C

Laboratory Equipment and Accessories, tools, products and systems for engineering lab and engineering teaching vocational education. At Engineeringlabchina get practical educational equipment for Laboratory Equipment and Accessories schools and teaching staff. Buy wholesale China Laboratory Equipment and Accessories Manufacturers. Engineeringlabchina high quality Technical Education Equipment products at the best price from China. Laboratory Equipment and Accessories China, Experiment Equipment suppliers China, and factory in China

**Engineering Lab China**
