

Product Name :
Triple Beam Balance with Vernier

Product Code :
CHINAELABC2740050

Description :

Triple Beam Balance with Vernier

Technical Specification :

This Balance is a favorite in classrooms and industries worldwide.

The balance offers high precision and remarkable value.

The three-point base, special floating bearing principle and beam design eliminates the need for level adjustment.

With aluminum pressure castings for the base and beam assembly, agate bearings, steel knife-edges, and stainless steel pan, everything about the balance ensures a high standard of quality.

Zeroing is quickly achieved by means of a zero adjust knob at the end of the beam.

Laboratory Equipment and Accessories, tools, products and systems for engineering lab and engineering teaching vocational education. At Engineeringlabchina get practical educational equipment for Laboratory Equipment and Accessories schools and teaching staff. Buy wholesale China Laboratory Equipment and Accessories Manufacturers. Engineeringlabchina high quality Technical Education Equipment products at the best price from China. Laboratory Equipment and Accessories China, Experiment Equipment suppliers China, and factory in China
