

Product Name :
Disc Type Wire Gauge

Product Code :
CHINAELABC2740056

Description :

Disc Type Wire Gauge

Technical Specification :

Wire Gauge is a very handy and day to day usage precise tool to measure thickness of Metal Plate or Dia. of a Wire.

The Wire Gauge can measure from 1 to 36 and hence is most versatile in application.

Made of Hardened and Tempered Steel, which ensures no wear and tear of the gauge during measurements.

The preciseness of the dimensions has made wire gauge a very popular Measuring Tool among Jewellers.

Laboratory Equipment and Accessories, tools, products and systems for engineering lab and engineering teaching vocational education. At Engineeringlabchina get practical educational equipment for Laboratory Equipment and Accessories schools and teaching staff. Buy wholesale China Laboratory Equipment and Accessories Manufacturers. Engineeringlabchina high quality Technical Education Equipment products at the best price from China. Laboratory Equipment and Accessories China, Experiment Equipment suppliers China, and factory in China
